**Tribute from Gregory Weir**

Relation: Friend of the family.

Sincerest condolences to all of the family.

My heart is heavy yet when I think about the fun times I shared with Lawrence it makes me smile. I remember as kids Trevor and I would bug Lawrence until he chased us. Once we thought we were so smart and "hid" inside ski suits that we got into and hung back on the hooks with us in them. Perfect plan, or should I say perfect punching bags when he found us. Of course we couldn't get off the hooks to defend ourselves.

I will miss you Lawrence.
