To my dear friend Linda, Tom and Angie and family. Lenny was a GREAT guy. Always ready with a story to share and more times than not, with a lesson to learn. He had great wisdom, loved his Canadiana history. Linda often joked about his huge "just in case" garden. " We better plant another 3 rows of carrots, just in case the first 6 didn't take", lol. I enjoyed his friendship and his fish he caught and shared, and the pickled carrots that Linda made with love. A good nan is gone, but Linda, Tom, Angie and boys, you now have a great angel looking after and protecting you. RIP "My Lenny"
