Leo was such a kind man. Always treated everyone the same. I'll miss him. I remember the look he gave me at the shop when he sent me to his tool box to grab a socket and his tool box (if you want to call it that) was just a heaping pile of tools on top of his tool box...I couldn't find a damn thing!!! Lol. Such a great guy and it's a great loss. My heartfelt condolences to his family.

About 25 years ago (in the time before cell phones,mine anyway). I had a flat tire on the way home from work. It was pouring rain and many vehicles passed us by. But your dad Leo stopped and changed it for me So that my daughters and I could get home. No fan fair just selfless and helpfull
