Dear Robbie,

I wanted to tell you how sorry I was to learn of Lisa's passing! May you find peace in remembering all the special times you have shared with Lisa and in all the memories you hold in your heart. I can't imagine the loss and pain you must be feeling at this time! As a Dad you will be strong for your children through their grief but don't forget to take time to allow yourself to grieve too. The quiet times will likely be the toughest to endure however, they are also the times that you can grieve fully in your own way. Please accept my sincere condolences and know that I am thinking of you and your family and sending loving thoughts and prayers to you all!

After the clouds, the sunshine; after the winter, the spring; after the shower, the rainbow; for life is a changeable thing. After the night, the morning, bidding all darkness cease, after life's cares and sorrows, the comfort and sweetness of peace.

Sincerely,

Marcy (Sebok) Beach
