Condolences to Loretta's family. She was a great mom who helped out. I will always remember when she brought her old butter churn in and gave a treat to the class.

Tribute from Elaine Doonanco

Relation: Acquaintance

I got to know Loretta through her children at Glendon school. In my opinion, Loretta was always a straight shooter - firm but fair in all her dealings. She was a staunch supporter of her children and grandchildren. I had great admiration for this woman. She has earned her rest.
