Tribute from Heather Horsepool

Relation: Worked in LTC at Cold Lake Health Centre. Lorie was one of the first people to talk with me when I first started working there. And we made a point to chat any time we saw each other. She made such a difference to the residents. She would make a point of chatting to them. You knew Lorie cared about them and about everyone she came into contact with. I retired but will remember Lorie for her easy smile that went right to her eyes.

So sorry to hear of the loss of Lorie. I had the pleasure of working with her. She was always had the most wonderful way of bringing a smile to everyone. And to brighten your day. There was no way anyone could escape her inner joy and happiness. It was always such a pleasure to see her, when I was working.

I understand there is nothing I can say to ease your grief at this time. But I hope it helps to know Lorie made a real difference to so many people.
