Relation: friend

So sorry to hear of Lucille's passing. She was a wonderful lady. Visiting with her was something I will always remember whether it was sitting on the driveway with the garage door open or at her kitchen table. Her sense of humor and love of laughter always brightened my day. A 15 minute coffee break or even an hour for lunch wasn't long enough when I was talking with Lucille. She always raised such beautiful tomatoes and took such pride in her yard. And to see her rolling around the neighbourhood on her bike always made me smile. She had such a wonderful spirit. My sincere condolences to Danny and all her family. May many happy memories bring you comfort.
