Tribute from Mariette Mahe

Relation: Caregiver

Oh my sweet Mabel, I will never forget how soft spoken you were but you were also quite funny. I can't count the number of times I went to sit and chat with you on your bed. One of the first times I sat with you you were picking the little fuzz balls on your socks. I said Mabel what are you doing and she said well it gives me something to do. I know hospitals aren't the best place to keep you busy so you found something to do. I remember how sweet you were and I would just pinch your sweet cheeks and give you a great big kiss. Your little pointy nose was so cute. To Mabel's family...your mother was a beautiful gem and I will never forget her. She loved her family and didn't want to be a burden to anyone. Rest In Peace Mabel. Love you to the moon and back. Fly with the Angels

Tribute from marilyn mccombie

Relation: She was a friend from bingo.

I so enjoyed talking and laughing with Mabel. She was so sweet and soft spoken. When I think of her I will remember enjoying her company at the bingo hall.
