Tribute from Louise Pozdzik

Relation: The deceased is the Mother of a friend, Juanita.

My deepest heart-felt condolences to all of the family though especially to Juanita during your time of sadness with the passing of your Mother, Grandmother, sister, auntie and friend. I send Blessings in my prayers of Peace and Acceptance. Do not stand at my grave and weep for I am not there. I AM the sparkling stars in the velvety indigo sky. I am the wind that whispers through the trees. I AM the ocean that washes wave after wave upon the shore. I Am the song of the birds and the sparkling sun that shines.

Tribute from Clifford Cardinal

God Speed, Neetim, you were my Teacher Assistant in my 2nd Year as Teacher, and you'd laugh at me when I would bring rabbits for lunch, as I snared them on mornings. God Bless and Ayi Hai for the Respect you always gave me when I seen you, mostly in Wakes (Apologies for saying that).
