Relation: Relative

Sincere condolences to the Family. Margie was my mother's cousin and they were both very close. When my father passed away, she came to our farm for quite a few days and helped lend support to both my mother and myself. This is something that I was always grateful for and have never forgotten.

Margie had a ready smile and a twinkle in her eye. I always cherished her warmth, visits and our conversations. RIP!

Margie was a very special lady whose courage, endurance, and beauty could only be marveled at by those who had the good fortune to know her. Margie was passionate about life, with many different loves: her family, her flowers, her hats. Always a stylish and classy dresser.

She was truly the finest example of pure wisdom, honesty, and generosity - with a heart of love and acceptance. Her words and her beautiful smile could bolster and uplift anyone in her presence.

Margie was also a highly entertaining lady who could regale an audience of one, or twenty, with colorful accounts of any number of her amazing life experiences. Visits with Margie will be missed.

Peace and love to Margie, and to those she left behind.

Evelyn, Betty, Alana
