Tribute from Megan Kirkpatrick Gould

Relation: Friend of the family

Dear Pam,

It was with a great sense of loss when we heard about Mark's death. I wanted to let you know that you have my deepest sympathy. Although I did not know Mark, I felt that I did through the stories that my Dad told me about him, and I always wished I could meet him. I know Mark was a funny, caring young man and his loss will leave a great void in your heart and the hearts of those who knew him.

As you may know, I am not a religious person. As such, in times of loss I have found great comfort in this: The First Law of Thermodynamics tells us "Energy can neither be created nor destroyed, it can only change form". I believe that Mark will be with you - you might find him in a song, or in the wind, or in a new spring blossom, but he will never be gone.

Sending you peace during this time.

Tribute from Mandy Hayre

Relation: Friend of family

Dear Pam,

I am so sorry for your loss. I have heard stories of you and your son from Cam and learned of his sense of humour and kindness. He was an upstanding young man and someone you should be proud to call your son. May you be able to cherish all those precious memories formed in the 27 years he was with us.

May he rest in peace and eternally in the hearts of those that loved him; you the most.

Death leaves a heartache no one can heal.

Love leaves a memory no one can steal.

Hugs Pam.
