Dear Mary's family,

I send heartfelt condolences and prayers on the passing of your beloved mom and grandmother. I remember her kind and caring ways, her gentleness and genuine interest in everyone she interacted with.

She was a gracious, humble lady with a positive attitude, a cool sense of humor, twinkling blue eyes and an infectious laugh. I am honored to have known her.

May her rich legacy and your precious memories nurture you in your journeys to hope, healing and peace.

God's blessings and love

Relation: Friend

Brenda and family,

We just returned from holidays, and was so sorry to hear of your mom's passing. Sorry that I was not here for the service.

Your mother was a kind and wonderful soul, I loved her laugh and I still laugh at how she could not get over how little I ate. I have lots of fond memories of her.

I am very sorry for your loss and even though she lived a long life for those left behind it is never long enough. Wrap yourself in her love for you and keep your memories close.

Barb Lemay (Hendel)
