Relation: none

we don't know each other & we didn't know Meagan. we lost our daughter in January. It's difficult to send condolences, but we found that they do help. Talking about her & recalling memories is still a good thing. Grace Gardens support doesn't end with Meagan's service; their caring way continues afterwards. We can only sympathize with your utter loss & understand that this is your personal "journey". From her pictures, from what was written about her, she was a beautiful child. From my daughter's passing, i feel she blessed our lives & i will take what she was & what she taught me to help me go on, as i believe Meagan ( in her own youthful wisdom) will do.

Dear Thomas and Sherry,

You don't us but we wanted to send our condolences to you and your family. We lost our daughter at a young age of 22, 5 years ago in a car accident. We thought she was young at the age of 22, but can't imagine losing a daughter so young at 11. We were in St. Paul after the accident for my aunt Rolande Dubrulle and we drove by the School and saw all the teddy bears and flowers and my heart went out to you all, knowing what you are going through and will go through. It was a tragic accident. Our thoughts and prayers go out to you all in your sad sad loss.

May Megan rest in Peace.

Relation: Friends

Miss Megan, as all of our hearts grieve the day of the tragedy and loss of your golden heart and beautiful soul, we know that you are always with us, in spirit. I have dreams about you and I. My favourite one is when we were laying down in the grass laughing about nothing, just laughing because we could. You were wearing a beautiful white dress and you looked so-- not broken, but happy. It reminded me of the beautiful, funny and amazing girl that you were, and still are.
