**Tribute from connie lee**

Relation: Neighbor

To Bob, Julie and Family. I was saddened to hear of Mel's passing. I lived across the street for over 25 years. We often chatted about gardening and she really tried to teach me how to get my plants to do better. We shared the same career and would talk about that as well as our kids and grandkids. I am grateful I was able to see the on line service today. She was an amazing lady!
