We are saddened to learn of Milton's passing. Our condolences to Stella and family. Milton was the manager the U15 hockey team that Jim coached when Bryce was playing goal. Milton was a calm, cool and very efficient manager who always gave helpful advice when asked. He was a great guy to work with back in those hockey arena days.

Enjoyed many games of cards and visits with Milton and Stella. Loved listening to Milton's many stories of the history of our area. My utmost admiration to Stella and family for the way they looked after Milton to keep him home as much as possible as difficult as it was. We will miss ou dear neighbour.
