With great sadness we mourn her passing.
Her smile could light the room.

Tribute from Wendy (from Kelowna, BC)

Relation: Niece

Thank you Auntie for the many life lessons ...

1. Like making tea from fresh mint.
2. Like knowing which mushrooms were edible and where to find them, near the cow manure.
3. Like demonstrating how to open a difficult pasture gate. I had no idea!
4. Like timing a big meal and making sure that all the components of the meal were ready at the same time.
5. Like finding the perfect bargain at the thrift store to suit both you and me.
6. Like teaching me how to grow awesome flowers and vegetables.

And so much more.

Auntie, I believe in heaven and therefore, I am certain your loved ones were there to greet you when

you arrived.
I love you and I will miss you!
Wendy (from Kelowna)
Importantly, my deepest sympathy for both family and friends.

Jerry, Nicole, and Family

We were so saddened to hear of your mom's sudden passing.

Your mom was a generous, loving, and compassionate person.

She was an extraordinary woman, with a big heart.

She touched the hearts of all she met.

Her grandchildren, Regan and Rayanna were her favorite persons to spend time with and she shared many delightful stories of their activities while they were growing up.

We loved Nancy like a sister and she will be immensely missed.

We share your sorrow.

Tribute from Walter & Ollie Zapisocki

Relation: Cousin/Friend

We are greatly saddened to hear about the passing of Nancy, our kind, caring cousin/friend.

Nancy was one who always helped and cared for others. She was extremely hard working.....busy gardening (planting in the spring, harvesting in the fall). She grew and picked all kinds of berries, spending hours in the kitchen making jams, jellies, and wines. Her passion for gardening also carried over to her many attractive, colourful flower beds.

Being one of the best cooks, Nancy specialized in all kinds of Ukrainian cuisine. Kapusta and garlic were always used. With her skilled talent in cooking, family and friends always left the table well fed and well satisfied.

R.I.P Nancy. You worked very hard!

I just heard the terrible news of tor Mom's passing after talking to our Aunty Lena. We are so so sorry for your loss. Nancy was a wonderful friend to us...my husband worked with her in Vilna and he enjoyed her sense of humor and her cooking was fabulously delicious he said. We reminisced of many days long forgotten and shared lots of laughs and even a few years..but all in all it was the best of times...Nancy was a gracious hostess always having her hands on something...but never too busy to leave it for someone else who needed her more...she was a meticulous gardener and the garden loved her. Even though we have been gone from the area almost 20 yrs....her name still crosses our

conversations from time to time and will continue until we no longer ourselves remember.
May these words and other memories you have bring you comfort along with God's love and
grace..God blessings
