Relation: Auntie

So many good memories of my auntie Olga, my dad's sister. My family and I always loved going to her home and she just loved having us coming over and she always used to get us something to eat with no questions asked.

My auntie was such an amazing water colour painter, she was so creative and I received two small paintings that she did that I have and will always cherish them with me. I'm going to miss my auntie Olga so much, but I know that she's not suffering anymore in pain. May you Rest in Eternal Peace until we see you again
