**Tribute from Linda McCabe Beatty**

Relation: Classmate in High School

Orville was one of my classmates in Porcupine Plain High School. We graduated together in 1964.

He was one of the nicest people. Years later we met at the Shand fair and had a long chat.

I opened a Canadian school many years later in Chandigarh India. A woman came from St. Paul and we met and discovered that Orville was her lawyer. She was in India visiting her brother and his daughter in law was my executive assistant. Such a small world.

I am so sorry to hear of his passing. Just seems too young.

My sincere condolences to his family at this difficult time.

He was a special person.
