Tribute from Cathi Garon RN

Relation: Looked after her in hospital

Dear Marlon and Family,

So sorry to hear of Patricia's passing. I know she wasn't ready to go and that you weren't ready to say goodbye. She was quite the lady and I'll bet, quite the handful, when she was feeling healthy. I hope you are coping as best you can and that you take this time to heal yourself now. Your devotion, resilience and compassion was inspirational to me Marlon. May God bless you and your family.
