Relation: Great Nephew

Hi Aunty,

I know that you're my great Aunty but you were always more than that. Your house across the valley was always filled with cars and I was never happier than when ours was there with you. Thanks for being there 51 years ago when I took my first step in your kitchen, thanks for the cribbage, the laughs, the freshly baked buns the size of my head and for always hosting the best parties. Best of all, thanks for showing us all what hard work really was and for raising an amazing household of kids that we all love dearly. I'm sorry I can't be there this week but I'm so glad I was able to come into town a year ago to your 100th party and see your smiles. So rest now and say hi to uncle from me, it's been a while... tell him to save a pickerel or two for me. Trent

Relation: Neice

My Dear Aunty Pearl! My heart is saddened. I have so many memories as a child and even while growing up all of my memories now will be placed in my heart forever.  
My visits with you were always homemade pies, bread, buns, and a meal fit for a King and Queen. The day I phoned you from Australia asking for your phyroggy dough recipe, that I will make forever and have shared your recipe with my kids.  
The laughs, visits and even time at bingo in St. Paul with myself, my mom and you never won but the night was filled with laughs.  
Aunty Pearl please give my mom, my dad, brother Dwayne, brother Keith, grandson Jet a big kiss hug. You rest now and please look over the 3 of us myself, sister Shannon, sister Tammy and our entire family.  
You are loved beyond words Aunty Pearl and will be missed beyond measure.  
Love from all of us in Australia

Visiting with Pearl in Maude's kitchen was always fun. I ran into her at the Co-op after we had moved

away from EP. She was rockin' leggings and a deep V-neck, black sweater and doing it very well....at 80 years old! What an inspiration. Her character makes her all the more missable. Our very best to the whole, massive Anderson clan. Wish we could be there to celebrate her life with you. J&L
