Pearl FODCHUK

October 29, 1957 - March 9, 2023

Tribute from Grace Gardens Funeral Chapel

Grace Gardens Funeral Chapel Staff send our condolences to family and friends.

Tribute from Kathy Megley

Relation: I was privileged to have been mentored by Pearl and we worked together at THMS with kindergarten kids.

Heartfelt condolence for your loss. Pearl was a very special lady! She was kind and thoughtful and had a wonderful sense of humor. She made kindergarten fun and had such a positive influence on her students. The time and energy Pearl spent researching educational activities and crafts for her students speaks volumes to the incredible passion she had as a teacher. She touched the lives of many students and instilled in them a love of learning. Just like her name suggests, Pearl was a gem. May her memory be eternal.

My condolences to family and loved ones. As young girls Pearl and I spent time together whenever our families would visit. I remember her as a kind person with a caring heart who was always fun to be with...one of my favourite cousins. I'm sure she will be greatly missed.

Relation: Friend

Gerry and I are so sorry to learn of the sudden passing of Pearl. We had so much fun teaching together and traveling to conferences together. Pearl was my first friend to meet Gerry. We loved her sense of humour (we laugh about when she took us out to see the crocuses and once we were a ways from the house she tells us to watch out for wild boars - scaring us to death). So many fond memories and I'm so happy we kept in touch even though the distance in miles grew we kept in touch. We are both so glad we visited you both on our first retirement trip. May your many wonderful years of memories help you through this extremely difficult time. We both send our love.
