Phyllis...YOU are one of a kind and the BEST Auntie and friend. My kids are truly blessed to have had you in their lives!! You will be missed terribly, love ya! Although we lost touch the last few years, the memories made will last a lifetime and you and your family will always hold a special place in my heart.

Your service was beautiful and a true reflection of what an amazing person that you were and how many lives are better because of you. Randy, Ken, Amanda...my heart aches for you all, but please know that you have been and always will be in our prayers.
