Hello Robert, Cheryl, and Gord,

I was saddened to hear the passing of your dad. I had fond memories and enjoyed our conversations as we had a common interest as we were employees of AGT/TELUS. Lyle remembers the time your mom and dad were passing through Fort Sask. Lyle was working on a trouble on the side of the road, they must of saw the TELUS truck and recognized who it was, so they had a nice chat on the side of the road.

a hug to you all and we are sorry that we are unable to attend your dad's service, but our thoughts will be with you as you go thru this difficult time.

Fondly

Lyle and Carolyn McDonald

We are very sorry to hear about the passing of your dad. We are so glad that we were able to see him in the hospital here in Edmonton.

Relation: Neice

Hi, guys I am so sorry I was not there. I was on my way out the door to come for you guys when I was informed there was no keys for Keith's car here at home. Bradley took my car to town on Wednesday and came home with his big work truck, so that is where my car is. My best memory of Uncle Bob was his singing "Lulu had a baby" and him and my dad walking home from fire practice arm and arm. My tears are flowing right now from a sadden heart that I could not be there for you's, and for uncle bob. I had a nick name for him and it was uncle bibsqueek due to his singing and how little he was. This sucks I could not be there in person. Please if you need anything please please call I am here. Call anyways I sure would like to hear from you guys or email. Take care and god bless I will miss watching for uncle on the streets of St. Paul. Love Donna.
