My condolences to the Penz family at this sad time.

I got to know Bert through my mother Mary Pawlyk who provided so much support to my mom through many years and i know that mom lent support to Bert through some tough times a well.

For myself i always felt lucky to know such a wonderful lady with an awesome outlook on life, vey caring, very giving.

And I still miss those bingo nights when the 3 of us got together and had the best of visits. Lots of laughs, sometimes tears but always there for each other.

Rest in Peace.
