Grace Gardens Funeral Chapel Staff send our condolences to family and friends.

Tribute from Laura Sych

Relation: A secret friend

Roses for Rosie.... You were more than a friend to me and to others. Your heart was young and full of Laughter, Love and Compassion. When I see red or bright pink roses we the people will always remember your bright smile. We have grown up together in school and have seen each other struggle and succeed. Each day that passed we always spent time together talking and imagining our future. I love you so much. You will be a large missing piece and you will be more than greatly missed by your family, friends and strangers that you have touched here on earth.

Tribute from Dawn Lavalley

Relation: Former Guidance Counsellor

Rosaleigh was a beautiful person inside and out. We had many great conversations when she was at Regional High School. She will be dearly missed. My sincere condolences to the family.
