Tribute from Linda & Norman Woroschuk

Relation: Family Friend

To all the Gratton family, I send my heart filled condolence. Rose was like a second MOM to me , how I remember being one of the family when she watched over me when my Mom worked away from home. The Gratton home was always so welcoming. She is now with Leo and catching up with many family & friends. May all your beautiful memories be a comfort to you all at this sad time .

Relation: Friend

We Guinups have many fond memories of Rose and Leo and the Gratton family, since we lived side by side for years

Your parents played canasta with my parents and worked together as neighbors do

Our favorite buns, that my Mom made many many times over the years, was always called " Rose's Buns."as Rose had shared it with my Mom.

There was other baking, that she had shared with Mom as well.

Your parents were such a great couple, and had such a gift to make us kids feel special, & I will always remember your Mom and Dad fondly, and God be with you during this painful loss

Tribute from Lucien & Jeannine Gratton

Relation: Cousin to Leo

Although we can't be with you at this time, our thoughts and prayers are with all of you. Your Mom had a wonderful, generous spirit and may she rest in peace with your Dad.
