Tribute from Sylvia Leskiw

Relation: friends of the family

I was very fond of your Mom, Grandma and Great Grandma, Rose, and I enjoyed having conversations with her. She was brilliant and witty, enthusiastic and spunky. I admired her strong character and her values, she was an interesting lady with a beautiful smile. We used to giggle a lot, and she often called me Shirley. We will miss her.

My thoughts are with you and your families. We will Remember the good times and find Strength in the memories of her.
