My heart breaks for you Don and Dalane. I remember the first time I saw you guys with Rowan...I didn't even know you but she was in a baby carrier on the table at Boston Pizza and you guys were having lunch. I remember thinking how much love you had for this tiny girl...I could see it across the restaurant. I met you later, Don, and in our conversations I could always tell that this child had made you the person you are. Please take care of yourself through this horrible horrible time. Rowan would expect that. My deepest sympathies to you both.
