### **Tribute from Becky and Trevor Blumhagen**

Relation: Aunt

Sending love and prayers to all the family. Auntie Ruth was a special lady, hold all the memories close to your hearts. I remember going to the farm as a little girl, and was thrilled when she gave me a head of garlic to nibble on, on the long car ride home. Dad was fine with it, Mom hated the smell of garlic. You can well imagine what the car smelled like by the we got to Castor. Auntie Ruth laughed!

### **Tribute from Beverly Morie**

Relation: neice

Dearest Auntie Ruth, so many good memories....the tastiest nachynka, tiniest holubtsi, making butter from scratch, and sacks of poppy seed. The visit we had with you last fall was still the best. I'm so glad we made it up to see you. May the angels carry you on gentle wings to a peaceful rest after a life well lived. My thoughts and condolences to my cousins and their families.

### **Tribute from Monica Morie**

Relation: Niece

Sending deepest sympathies to the Hupalo families after the passing of your Mom & Gramma. I have such warm memories of Aunty Ruth on the farm, eating her fresh perogies and oh-so-good dill pickles. She carried on the tradition in St. Paul with her huge garden, always working & enjoying her work. I am so glad that I was able to have a good visit with her last fall, still with a twinkle in her eye!! She will always have a place in my heart, RIP dear Aunty Ruth.

On behalf of my family we want to send all our love and prayers to Great Babas family and friends. We had the pleasure of meeting this sweet lady at Matt and Brittanys wedding. She was a huge part of my daughters life. There is no doubt that she is in Heaven cuddling our little Grayson. Two beautiful angels watching over the family.

Relation: long time neighbour

To all of Mrs. Hupalo's family we extend our most sincere condolences at the passing of your Mom. For many years she lived next door to us and a better neighbour could not be found... woe on the weed that came up in her large garden! and her partying never kept us awake... a very fine person who we will all miss. May knowing that she is in our prayers and thoughts at this time help ease the sorrow you feel at this time.
