Tribute from Marty Seidel

Relation: Worked together

I did not know her long, but I feel like I knew her well. She was soulful, smart, and poetic. Although she may have had some troubles in this world she was strong and courageous and honest. I appreciated her sense of humour and her passion for learning. The world has lost someone truly special and I know that I and many more will miss her greatly. Thank you Shanoa for being in my life and sharing your time with me, I hope that you have found some peace.

Cheers

Marty Seidel

Tribute from Clint Korethoski

Relation: worked with her

This Leonard Cohen song contains the only words, at this time that can describe how I feel and felt in regards to Shanoa. I will miss her dearly, and remember her, for most likely, the remainder of my existence.

"If it be your will

That I speak no more

And my voice is still

As it was before

I will speak no more

I shall abide until

I am spoken for

If it be your will

If it be your will

That a voice be true

From this broken hill

I will sing to you

From this broken hill
All your praises they shall ring
If it be your will

If it be your will
If there is a choice
Let the rivers fill
Let the hills rejoice
Let your mercy spill
On all these burning hearts in hell
If it be your will
To make us well." Leonard Cohen

I knew Shanoa for a period of time and I will be forever grateful for the time that I was able to spend with her. She was incredibly strong and resilient and had an amazing artistic talent. She will be forever remembered and missed.

Tribute from Amanda Hope Waskahat

Relation: She was my Aunty

I really miss you Shanoa you were such a kind hearted and uplifted person. You are in a better place now and I know you are watching down on us and hoping we do better with our lives. I love you Shanoa and I never wanted this to happen, but everything happens for a reason

Tribute from Candice Langeman

Relation: Cousin

I had connected with Shanoa after searching for her and her other siblings (I found 3 of my cousins on fb) We only spoke through emails, I listened to her when she spoke of the only life she had known, I shared with her stories and pictures of the family she hadn't known... She didn't know that her birth father was still alive.. It really saddens me to find out that she is gone... But I know that our ancestors would have greeted her with loving open arms.. May you be a peace Shanoa, love you my young cousin...
