**Tribute from Judy Lynn Bogdan**

Relation: Friend of the family

So sorry to hear about Sharon's passing..never know that she was suffering with cancer..she always had a warm smile and kind words..never the kind to just walk on by without stopping to chat. Sharon had a heart of gold for people and animals. I will always be grateful for her gardening tips and babysitting Chris when we were neighbors. Her suffering has ended and I am sure she was in pain but probably never complained..not her style. Alan and family ..may all her love remain with all of you always. Glad that you were able to travel together to different countries..memories that I am sure you will cherish forever.

**Tribute from Dennis & Fern Garneau**

Relation: friend

Sharon was a kind, generous person with her unique, often humorous perspective on life & a good friend. She loved animals & was especially compassionate about the less fortunate ones. My grandchildren & I got to pick raspberries at her place & she treated them to lemonade & they remember her as the raspberry lady with the friendly dog named "Dolly." Before she died, she had Allan bring me some of her perennials which I'm pleased to say , "all took" and are surviving. The great thing about her life is that I think she fulfilled all she set out to do. She never complained during her illness & preferred to talk about "something else." Rest in peace, good friend.
