Condolences to all the family. Stephanie and I were across the hall neighbours at GA for many years. She took me under her wing when I started teaching there in 1977. I gave her a hard time about how she spoiled her boys, cooking, doing laundry and just generally racing home on Friday after school to prepare supper for the U of A students on their way home. My thoughts and prayers go out to you all.

Auntie Stephania was like a second mother to me. I fondly remember helping her mark her grade one assignments. I also remember the many nights I spent there during my junior/senior school years whenever there was a sports tournament. I also fondly remember all the visits to the old schoolhouse where Auntie started teaching. My sincerest condolences to Alan, Darwin and Dale and their families.

Tribute from Jody Serner

Relation: Student

My dearest Mrs. Zalaski. You took a very scared and overwhelmed young boy in grade 1 and took him under your wing. Your patience, love and understanding made me feel accepted entering a strange new world and installed in me a life long love of learning and help shape the man I became. I will miss you so much. Rest in Peace.

Tribute from David Ference

Relation: Family friend

Darwin Dale Alan and families. I was very sad to hear of the passing of your Mother. I have many fond memories of Stephanie which I will cherish and I especially enjoyed the conversations I had with her over the years. She was very welcoming and always made you feel at home. She was a very kind and accomplished person which I respected. You all may have lost your Mother but all is not lost as there is no doubt she lives through each of you. Embrace her spirit and cherish her memories. We lost a wonderful lady and a pioneer in our community. She will be missed.

My sincere condolences from my family to yours. We are very sorry for not being able to attend the services to pay our respects and celebrate your Mother's life. With sympathy David, Anna Marie, Austin Ashley Marie, Ian Ference
