Relation: Minor Hockey Volunteer

Wow! What a news. Steve's passing is another reminder that our time on this earth is finite no matter who we are or what we do and that we must make the best of our time. I volunteered as a coach of the St-Paul Eagles Pee Wee Team which went to the Québec Pee Wee International Tournament. Steve was our trainer and played a very important role with the team catering to the needs of our young players whom he cared so much about. I will always remember Steve's big smile, contagious laugh and great sense of humour. He had a unique way to lighten up a room with his presence. I loved this guy who was an ultimate volunteer. Liz, Michael, and family, please accept my sincere condolences. My thoughts are with you through these difficult times. I wish you strength and courage. May Steve rest in Peace in Rainbow Garden. Your friend, Louis Chiasson
