Tribute from Debbie Kellar

Relation: Aunt and Uncle

To Barb and family. Please accept our deepest sympathy for the loss of Steve. Reflecting on the thoughts of the man whom Steve touches my heart. He was so wonderful, generous and understanding. He was very accepting and loved you Barb so very much. You are a very blessed woman to have been able to have had a man like Steve in your life, as we all were. I am sure he touched each of us in his own way. May your future days be filled with happy memories and continued love for this wonderful man. Our deepest sympathy to you and the family. God Bless you and keep you. Love Randy and Debbie.

Tribute from Sheila Roberts

Relation: We were first cousins.

Dear Barbara,

As one of my first cousins, I remember Stephen very well. While he was a few years older than me he was often at our Grandmother's home in Claresholm, the Weatherheads. Stephen as we called him then always seemed to have a smile on his face and a happy nature. I am sorry for your loss. May warm memories be a comfort to you as you journey this road we all must take.
