Dear David,

I heard about your dad. I am so sorry and wanted to offer my condolences. I can only imagine how difficult this must be for you.

There is no good time or way for someone you care about to leave you. I find that I am at a loss for words but with this news I am reminded of when my father passed away. I was at a loss for words then too, but I wanted to share my sadness and express the loss I was feeling.

Although I didn't know your dad, but I understand you had a close relationship with him, please accept my sincere condolences.

Sincerely,

Sultan Khan

Relation: friend

Dear Olga,

Sending you my deepest sympathy. I always admired how you and Steve had such a close and loving relationship. You both always seemed to have that look of love for one another when you were in each others presence. I was saddened to hear that Steve had Parkinson's when Allan informed me of his illness when we both happened to run into each other at Costco. Although this disease would have been difficult for Steve to have to endure, he was definitely blessed to have such a loving wife to be by his side. God bless you. My prayers are with you, your family, and Steve.
