Tonia and all the Chrapko children played a big part in the lives of us, the Logozar children and even though I have not seen Tonia for a number of years I will miss her greatly. Dear Elizabeth and family: I was truly very sorry to hear of another great loss to the Chrapko family. Tonia leaves a legacy of a life well lived, albeit a shortened one.

I am so sorry to hear from Tonia this way. I am so sad. We haven't been in contact for years but life goes fast and we were very far from each other. But I do remember very well the beautiful and so smart young lady I met in Edmonton and then who came to visit me in France. Driving her old red Renault 5. So much fun we had together and so special moments we shared. You might not remember me but I send you all my love. Benedicte
