Julie, We are so sad for you and your family.

I've read a poem that warms my heart. I hope it can do the same for you.

**THE BEYOND**

It seemeth such a little way to me  
Across to that strange country, The Beyond  
And yet, not strange, for it has grown to be  
The home of those of whom I am so fond.  
And so for me there is no death;  
It is but crossing, with abated breath  
    A little strip of sea..  
To find one's loved ones waiting on the shore  
More beautiful, more precious than before.
