Frances,

We are deeply saddened to hear of Walter's passing. Our heartfelt condolences to you and your family. We will forever cherish the memories of that trip to Italy in 2013 and the many visits we had with the rest of "the gang" following that trip. Last July when you attended our 50th anniversary Walter was so happy to see all of the gang and we will always remember that your anniversary date is the same as ours. It was hard to see him in pain during our last visit and to you we say "May your tears of sorrow be dried in your towels of memories." In time we wish for the good memories to comfort you! Sending you our love. Ron & Stella Slywka
