We are so heartbroken by the loss of Uncle Walter. His face always light up in a smile when he saw us. He was a loving, kind, generous man. A true gentleman, a rare gem. We feel so blessed to have had him in our lives. We will always remember and picture him with his banjo on his lap. How special thoughts family gatherings were with him playing his banjo, Ernie on guitar and all of us gathered around for a fireside sing song.

Whatever soothes your heart, comforts your soul and brings you peace that is what you are wished at this sad time.
