My sincere condolences to Wilf's entire family. I got to know Wilf a few years ago when he walked into my office to dicuss his investments. I always enjoyed all of his stories and I will miss hearing more of them. I remember the day he came in and told me he was ill and my heart sank. My thoughts and prayers go out to all of his family as he truly was a memorable man. Take care.

Tribute from Adele Harrison

Relation: Friend & used to be a co-worker

My thoughts & prayers go out to the family of this wonderful man. He was such a pleasure to work with at times. He was the kind of man that once you met him you wouldn't forget him. He was so kind hearted as someone has already said. He really was. He was never without a story and you never got

tired of hearing them. He'd make you laugh so hard at times.

I'm sure you're getting Ray, Vance & Mark and the others together now and telling them all what to do.

Good for you xo

R.I.P. Wilf xo

Tribute from Cindy Guilbault

Relation: co-worker- St. Paul West End Bingo

Wilf I have so many fond memories of you. You would come into the Bingo hall to check the books and bring your Tim Horton's coffee and donuts. I enjoyed so much the many different conversations that we had about family and news in the world. You were a delight at our Board meetings and somehow always helped to make people see the "light" when they would go on and on on some mundane subject. God be with you and also with your family and friends at this time. You will never be forgotten.
