Tribute from Webster Family

Relation: Thru family relations

A feeling of great loss of a truly wonderful man over came me as I learn of Bills passing. He was a true believer in the importance of families, frendship, love and laughter. It had been a number of years since I last sat and talked with Bill. However I can still hear his infectious laughter as he told more than one of his many humorous stories around the fire pit at one of his many famous fish fries. He was a true lover of nature and was always a favorite with kids, as he was one big kid himself. God couldn't ask for a better bunch of fishing buddies. Together Bill, Rollie, and Cathy are watching over you all. Bless you all, Love you all xox. God Bless. The Websters
