Grace Gardens Funeral Chapel Staff send our condolences to family and friends.

**Tribute from Karen Wanchuk**

Relation: Co-worker of Allan's

Allan, Ramona and family, I am so sorry for your loss. May your memories provide comfort in this difficult time.

**Tribute from Chuck Lund**

Relation: Mom's cousin

My condolences to Wilma's family. It has been more than a few years since I last saw her but the incident I best remember is the baked bathroom scale after Wilma and the "kids" visited us at the farm in the early '60's. She and mom had a few laughs over that one!

**Tribute from Lorraine Randall**

Relation: caregiver

Sending condolences to the family. She challenged the little things and loved Elvis. She even had a Matryoshka doll of Elvis. Wilma will always have a place in my heart and many memories.
